

A Poor Cat

Bella is a little cat. She is unhappy, because she wants to leave home to see the world.

It's a sunny day. Bella goes away while her parents are sleeping.

On the way, she meets an elephant, a peacock and a rabbit.

At last, she gets to a lake. She looks at her reflection in the water and says, “I wish I have an elephant’s nose, a peacock’s tail and a rabbit’s ears.”

After a while, Bella’s wish comes true.

She runs home excitedly, but her parents don’t recognize her. “Go away, you’re not our daughter,” they say.

Bella goes to the lake again. “I just want to be a cat,” she says sadly.

Bella waits and waits. She becomes a cat again.

Bella runs back quickly. Her parents hug her and say, “This is our lovely baby.”
